LDHAS Last week we made another delivery to LDHAS of tinned items, pasta, spreads and other items which were gratefully received.

At the moment they have an urgent need for squash, tea, sugar and anything else they can use to make drinks in this hot weather. The need other than drinks at present is for eggs, pasta, tinned items and dried food. Rest assured that all we deliver is immediately put to good use and not wasted and they continue to be very grateful to our parish for the continued support.
